

# Road Closings

The north end of Highway 545 will be closed for bridge repair starting April 7, 2025. Highway 62 is also closed for bridge repair east of St. Meinrad. These are expected to be finished in the fourth quarter of this year.

All trucks will have to use the south end of Highway 545 through Troy instead. From the west, take 162 to 245 to 70 to 545. From the east, take 37 to 66 to 545.

There is also road work at the intersection in Troy. You might have to wait, but it is passable.
